

Terms and Conditions of Use AVNET Website

Access to and use of this website are subject the following regulations. If you do not agree with these, please, do not use this website. This website was developed and is administered by the AVNET EMG GmbH and her connected business unities (including, but not limited to Avnet Memec, Silica, Avnet time, SCS), in the following "AVNET".

1. General

Avnet reserves its right to change the Website, the "Terms and Conditions of Use Avnet Website" ("Nutzungsbedingungen für die Website), as well as the "General Terms and Conditions of Sale" and "Standard Terms and Conditions of Purchase" www.avnet-logistics.eu/footer/legal-notice at any time and without prior notice partially or in total and/or to discontinue the Service in its own discretion. Hence, we ask you to look through this in your next visit of this website once more and to consider changes and amendments.

2. Content Liability

The contents of our pages have been prepared with the utmost diligence; however, Avnet shall not be liable in any case as to accuracy, completeness or timeliness of any data provided. As a service provider, Avnet shall be responsible for our own contents on these pages in accordance with general legislation. However, service providers shall not be obliged to monitor external information that has been transmitted or stored or to search for details pointing to illegal activity. This shall not affect the removal or prevention of use of information as required by general legislation. In this context, liability shall only take effect at the point in time when an actual violation has been noticed. Upon noticing any violations, Avnet shall remove the contents concerned immediately.

3. Liability for Links

AVNET uses on its Website links to other web pages. AVNET has no influence on the content of those web pages. Only the provider or operator is responsible for the content of the linked web pages. In no event AVNET adopts these contents as its own or solidarizes with it. In no event AVNET shall be liable for any content of the linked web pages of any third party.

4. Copyrights

Avnet always endeavours to observe the copyrights of others or to resort to self-created or non-licensed works. The contents and works on these pages created by Avnet are subject to German copyright law. Third-party contributions are marked accordingly. The reproduction, processing, distribution or any other type of utilisation outside of copyright law require the written consent of the author or creator concerned. Downloads and copies of this page are permitted only for private, non-commercial use.
